

GRN1 - Returns Request Form

Date		

PLEASE DO NOT SEND ITEM(S) BACK WITHOUT RECEIVING YOUR RETURN NUMBER

Returns

- Please ensure this form is fully completed and returned to sales@multipipe.co.uk
- We will then process your return and reply back to you with an authorised returns number.
- The completed form needs to accompany the item(s) you're returning. Without this form your returns will not be processed.
- Please include Returns Number with the returned items.
- The Item(s) are your responsibility until they reach us securely, making sure they are in a re-sellable condition, as well as in their unopened packaging.
- The cost of returning the goods (excluding faulty items) is your responsibility.
- Multipipe can only accept the return of items purchased within the last 90 days.
- · The minimum return value (before any applicable restock charges) must be a minimum of £100 (net of VAT)
- · You must return the goods within 14 days of receipt of the authorised returns number. Good received after this date will not be accepted.
- · Delivery charges are not refundable.

Company / Customer Name:

- All goods correctly supplied as ordered, are subject to our standard re-stocking charge of 35%
- The following items are EXCLUDED from return.
- · Preinsulated pipes and fittings / Tools / Used goods / Special order items or cut to order items / Less than bag/box qty or non sealed bag items

Faulty Items

- If you experience problems with your product, please contact our technical team on 01245 227 630 before filling out this form. They will be able to advise you on resolving any issues. Faulty items are not confirmed until tested and diagnosed as defective.
- The completed form needs to accompany the item(s) you are returning. Without this form your returns will not be processed.
- The alleged faulty goods are then to be collected at Multipipe Ltd expense (excluding tools), with the understanding that if the fault is installer error all carriage charges, inspection costs etc will be invoiced at the cost price.
- Tools are to be returned at customers expense. If found faulty they will be repaired or replaced as Multipipe's discretion and no cash or credit refund is available. Please allow a minimum of 4 weeks for testing manual tools, 8 weeks for electonic items.
- We will then return the item to our supplier for testing + findings.
- · If returned goods are found to be faulty due to installer error, we may at our discretion charge and adminstration & carriage fee.
- Should item(s) found to be faulty a full credit of original invoice value will be raised (excluding tools, see above)
- Should these goods be found to be in working order, we will offer the customer to collect. If goods are not collected after 30 days then these will be disposed of.
